## Righteousness:

A Biblical Study

1. Have you ever thought about the word *righteous*? How often do you use, or have you heard other use the word outside of the context of Christianity?

---

---

---

2. Look up the word(s) *righteous* and *righteousness* in the standard dictionary and write down the meaning you find.

---

---

---

3. Read Romans 8:1-17. Underline or circle the words *righteous* and *righteousness*. How many times did Paul use these words in this section of the text?

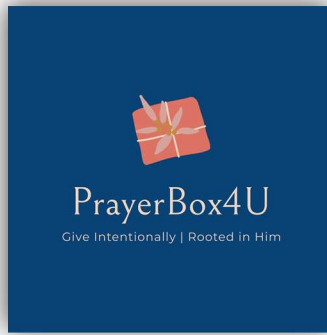

---

---

4. Read Romans 1:17. Circle or underline the words *righteousness* and *righteous* here as well. How many times did Paul use these words in this one verse?

5. In your own words, based on what we have read in the last scriptures, what do you think the Biblical definition of righteous is? What does it mean to be righteous? What was Paul talking about?

---

---

---

---

---

---

---

6. What is one tangible way you can start your walk today in obedience with The Holy Spirit- to be righteous?

Father God, we thank You for the wonder wisdom and knowledge You have shared with us. We pray to You Jesus, that we may each walk obediently in and on Your Holy path- to be righteous, to be like You. Give us the continued knowledge, guidance, wisdom, and strength to carry on. We praise Your Holy Name. It is in Your Name we pray, Jesus, Amen.
